

CONTINUATION GRANT

Project End Summary

Project title: _____

PI: _____ Submission date: _____

A written report is due to the IMDTRF Board of Directors at the end of 1 year post-funding. The completed report should be electronically transmitted to info@imdtrf.org.

1. Summary: Summarize your progress on this study relative to the original proposal. Include any variation from that proposal.
2. Publications: Identify publication submissions resulting from this work.
3. Difficulties: Any general comments related to difficulties or issues with implementing the proposed study.
4. Financial Accountability: Attach an accounting of funds spent to date.

Failure to return this report in a timely manner will result in the returning of grant funds to the IMDTRF. The Board of Directors of IMDTRF also reserves the right to request the return of monies based on non-compliance with the original study objectives.
